## 2022 SPONSORSHIP OPPORTUNITIES

The Hinsdale Central Holiday Classic has already become one of the premier high school basketball events in the State of Illinois. In its first five years, the event has extensive coverage on television, over the air news broadcasts and through streaming on-line video. Thousands of patrons will be watching the event in person or through some electronic communication. Our tournament website, [www.hcholidayclassic.com](http://www.hcholidayclassic.com) has had over two million hits the last six years. The event will play host to sixteen high school varsity boys basketball teams and will be attended by thousands of spectators over the four-day experience.

The tournament has developed a sponsorship plan with several affordable packages and individual advertising opportunities, which businesses from all groups can partake.

Our event has already built a reputation of success in its early six-year history, as the tournament can boast one state champion, a total of five different state qualifiers, and a former Most Valuable Player, who was selected in the second round of the 2018 NBA Draft.

The 2022 edition of the Hinsdale Central Holiday Classic will be held on Thursday, December 22; Friday, December 23; Tuesday, December 27 and Wednesday, December 28. Every team will play one game on each of the days of the tournament.

On the following pages, visit the different opportunities that your company can partner with us at the Hinsdale Central Holiday Classic, and provide a community service to those that participate in interscholastic athletics. Together we can make it possible.
